“

**Dr. S. P. Aggarwal**  
Director, NESAC

He assumed the charge of Director, NESAC with effect from 17th September, 2021. He served as the Group Head of Water Resources Department at Indian Institute of Remote Sensing (IIRS), ISRO, Dehradun, before joining NESAC.

He was also a programme coordinator of the UN affiliated Centre for space science and technology education in Asia and the Pacific (CSSTEAP) during 2016-2021 periods.

Dr. Aggarwal is a highly accomplished scientist in the field of Remote Sensing and GIS applications in water resources management, disaster management and climate change impact assessment and at the same time he has immensely contributed in the capacity building and outreach program of ISRO.
